Notes/Legal Notes

1. Quantities preceded by a "-" sign indicate sell transactions. Other transactions are purchases. In case of partial executions, commissions are charged on the total quantity executed on the original order. The commission is displayed on the first partial execution only. Trade execution times are displayed in U.S. Eastern Time.
2. Please promptly report any inaccuracy or discrepancy in this statement from your account using the contact information below. For any questions regarding this communication, you can contact us at 1. Customer experience email: customerexperienceuae@hsbc.com or 2. www.hsbc.ae/help/contact or 3. Call +971 4 227 4310.
3. Spot forex is not a regulated financial instrument under the Markets in Financial Instruments Directive (as it forms part of UK law by virtue of the European Union (Withdrawal) Act 2018 (as amended)). Transactions in spot forex are contracts with IB UK as your counterparty, and are not traded on a regulated exchange and are not cleared or settled on a central clearinghouse.
4. Transactions in spot forex shall be settled by payment of cash and shall generally settle in two days (taking into account the governmental and bank holidays in the relevant markets) or in the customary settlement period used in the interbank market in the currency.
5. IB UK is a participant in the UK Financial Ombudsman Service ("FOS"). Disputes may be submitted to the FOS for mediation. The FOS will only consider complaints for regulated and consumer credit activities and may therefore not consider complaints in respect of metals and spot foreign currency transactions. The FOS is provided free of charge to complainants. The FOS's decisions are based on what is 'fair and reasonable' and are binding on firms if a complainant accepts them.
6. IB UK is a participant in the UK Financial Services Compensation Scheme ("FSCS"). You may be entitled to compensation from the scheme in the unlikely event we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. FSCS cover is restricted to designated investments and does not cover investments in metals and spot foreign currency. Further information about compensation is available from the UK Financial Services Compensation Scheme at www.fscs.org.uk.
7. IB UK is regulated by the Financial Conduct Authority.
8. Most stock exchange transactions settle on the trade date plus two business days. US open-end mutual fund transactions settle on trade date plus one business day. (Some exchanges and other transaction types may have longer or shorter settlement periods.) Ending settled cash reflects the cash that has actually settled. Execution time will be furnished upon request.
9. The closing prices on this Activity Statement are indicative and may come from third-party sources. IB UK does not warrant the accuracy of the prices provided by third-party sources. Due to time zone differences, certain non-US mutual funds may deliver closing prices after the Activity Statement has been produced and the closing prices for such funds will reflect the previous day's price.
10. Call features for bonds or preferred stocks may affect the yield. For zero coupon, compound interest and multiplier securities, there are no periodic payments and securities may be callable below maturity value without notice to holder unless registered. For asset-backed securities, the actual yield may vary depending on the speed at which the underlying note is pre-paid. If this debt security is unrated by a nationally recognized statistical rating organization, it may pose a high risk of default.
11. Unless otherwise noted, IB UK acted as agent in the execution of the above transactions. For those exchanges where IB UK is not a direct clearing member or custodian, IB UK may use an affiliate or third-party broker as clearing agent or sub-custodian.
12. IB UK's US affiliate accepts liquidity rebates and/or other payment for order flow from certain Alternative Trading Systems and exchanges for certain orders in US stocks and receives payment for some US option orders pursuant to exchange-mandated marketing fee programs or other arrangements.
13. For security trades, if not already indicated on this statement, information about the time of any transaction and the exchange or marketplace on which it executed to the transaction will be available upon written request of the customer.
14. Customer is requested to promptly advise HBME UAE of any material change in Customer's investment objectives, financial situation, or contact information.
15. For trades executed on either the Australian Stock Exchange Ltd ("ASX") or Cboe Australia Pty Ltd ("Cboe Australia"), this confirmation is issued subject to: (i) the directions, decisions and requirements of the Market Operator, the relevant Market Integrity Rules, the relevant Market Operating Rules, the Clearing Rules and where relevant, the Settlement Rules; (ii) the customs and usages of the relevant Market; and (iii) the correction of errors and omissions. IB UK is not a participant on the ASX, and will route orders to the ASX through its affiliate, Interactive Brokers Australia Pty. Ltd. (ABN 98 166 929 568, AFSL: 453554, Participant on the ASX)("IBAU") who executes such orders. Your ASX and Cboe Australia trades will be cleared through ABN Amro Clearing Sydney Pty Ltd, an ACH participant. If your transaction was a crossing transaction, IB UK may have either acted on behalf of (i) both the buyer and seller of this transaction, or (ii) on behalf of the buyer or seller on one side of the transaction and act as Principal on the other side.
16. Issued by HSBC Bank Middle East Limited, U.A.E Branch, PO Box 66, Dubai, U.A.E (HBME), regulated by the Central Bank of the U.A.E and lead regulated by the Dubai Financial Services Authority. In respect of certain financial services and activities offered by HBME, it is regulated by the Securities and Commodities Authority in the UAE under license number 602004.
